Food Made Me Sick

"First I had pain in my back and chest, then in my abdomen, and last night I could eat the best food easily. I have lost weight rapidly, and lost 25 pounds. My parents were much alarmed and I expected to die. I was too short. But a friend said, 'Hood's Balsam-puff and I soon my appetite came back.' I took Hood's Balsam-puff, gained two pounds a week. I hope it continues, and never feel again."

"German Syrup"

Just a cold and a hacking cough. We all suffer at some times. How to get rid of them is the study. Listen—"I am a Ranchman and Stock Raiser. My life is hard and exposed. I am all weather in the Colorado mountains. I sometimes take colds. Often they last several days. I have been taking Syrup five years for these. A few doses will cure them at any stage. The last one I had was stopped in a hour."—John E. James, A. Lee, Jefferson, Col.
